

EDISON

EDISON

Spots encastrés et système d'éclairage qui utilisent la gamme des toutes nouvelles ampoules LED avec douille E 27.

Dans les deux collections les socles sont réglables en hauteur pour s'adapter à la forme et la taille de l'ampoule en la valorisant .

Les SPOTS EDISON avec cadre (Geko) ou minitrim ( Tappo) sont en alu injecté laqués blancs ou en finition chromée ou cuivrée.

EDISON SISTEMA est un système modulaire et facile à installer et se compose d'un plafonnier et une suspension et vient se composer avec une série d'accessoires qui permettent de multiplier les points d'éclairage à partir d'un seul point d'alimentation électrique.

Focos empotrados y sistema de iluminación que ofrece una amplia selección de las últimas bombillas decorativas con filamento LED con portalamparas E27.

En ambas colecciones, los portalámparas se pueden ajustar en altura para valorar la forma y la decoración de la fuente.

Los focos empotrados EDISON con marco (Geko) y minitrim (Tappo) son de aluminio fundido y están pintados de blanco y con acabado galvanizado cromado o cobre.

EDISON SISTEMA modulares y fácil de instalar consta de un elemento de techo y un elemento de suspensión. Se completa con una serie de accesorios, para cables, desviadores y flaron que permiten multiplicar los puntos de luz desde una fuente de alimentación inicial de la pared o desde el techo

Einbaustrahler und Beleuchtungssystem mit einer großen Auswahl der neuesten LED-Glühlampen mit E27-Fassung. In beiden Kollektionen können die Lampenfassungen in der Höhe verstellt werden, um die Form und Dekoration der Quelle voll zu betonen.

EDISON SISTEMA, modular und einfach zu installieren, besteht aus einem Deckenelement und einem Aufhängeelement. Mit Zubehör, Kabeln, Umlenkern und Rosetten können die Lichtpunkte von der ersten Stromversorgung bis zur Wand oder Decke vervielfacht werden.

Die EDISON Einbaustrahler mit Rahmen (GEKO) und Minitrim (TAPPO) bestehen aus Aluminiumdruckguss und sind weiß lackiert oder verchromt oder kupfergalvanisiert.

Встраиваемые прожекторы и система освещения предлагают широкий выбор новейших светодиодных декоративных лампочек накаливания с цоколем E27.

В обеих коллекциях патроны могут быть отрегулированы по высоте, чтобы полностью улучшить форму и оформление источника.

EDISON SISTEMA, модульная и простая в установке, состоит из потолочного элемента и элемента подвески. Аксессуары, кабели, отклонители и розетки позволяют увеличить количество точек освещения, начиная с первоначального источника питания на стене или потолке.

Встраиваемые прожекторы EDISON с рамой (GEKO) и минитримом (TAPPO) выполнены из литого алюминия и окрашены в белый цвет или имеют хромированную или медную гальваническую.

## EDISON *design: U.T. EGOLUCE*

Faretti da incasso e sistema d'illuminazione che propongono una vasta scelta delle nuovissime lampadine decorative a filamento LED con attacco E27.

In entrambe le collezioni i portalampada sono regolabili in altezza consentendo di valorizzare a pieno la forma e la decorazione della sorgente.

I faretti EDISON incasso con cornice (GEKO) e minitrim (TAPPO) sono in alluminio pressofuso e sono verniciati bianchi o con finitura galvanica cromo o rame.

EDISON SISTEMA, componibile e di facile installazione, è costituito da un elemento a plafone e uno a sospensione. Si completa con una serie di accessori, cavi, deviatori e rosoni che permettono di moltiplicare i punti luce partendo da un'installazione iniziale a parete

Recessed spotlights and lighting system offering a vast selection of the latest LED filament decorative bulbs with E27 socket.

In both collections, the lamp holders can be adjusted in height to fully enhance the shape and decoration of the source.

EDISON SISTEMA, modular and easy to install, consists of a ceiling element and a suspension element. The accessories, cables, diverters and rosettes allow to multiply the light points starting from an initial power supply to the wall or ceiling.

The EDISON recessed spotlights with frame (GEKO) and minitrim (TAPPO) are in die-cast aluminum and are painted white or with a chrome or copper galvanic finish.
